In this case, we may have to cancel a product or service you have with us but we will notify you if this is the case at the time.

## How we collect data

We strive to provide you with choices regarding certain personal data uses, particularly around marketing and advertising.

From time to time we may use the personal information we collect from you to identify particular products and services which we believe may be of interest to you (we call this marketing). Further, you may instruct us at any time to remove any previous consent you provided to receive marketing communications from us. To make such a request, please send an e-mail to [DPO@moosetoys.com](mailto:DPO@moosetoys.com). These services will respect your browser's Do Not Track signals (or other well-established, commercially available mechanisms that provide you with the ability to exercise choice regarding the collection of Personal Information). If we receive a Do Not Track notice, we will stop using any Personal Information for online behavioral advertising purposes.

A request for your personal data to be deleted will be decided on a case by case basis and should be submitted in writing to the contact details provided in this policy.
- **Restrict processing** – You have the right to 'block' or suppress the processing by us of your personal data.

If you agree, we will try to deal with your request informally, for example by providing you with the specific information you need over the telephone.

### Accessing and checking the personal information we hold about you

You have the right to request access to the personal information we hold about you. This right is subject to certain exceptions (see below) allowed by law. The file containing your personal information will be kept on our servers and those of our service providers

Moose will, upon your request to the Data Protection Officer (see Contact Us), and subject to applicable privacy laws, provide you with access to your personal information that is held by us. We limit access to personal information to individuals with a business need consistent with the reason the information was provided. We keep personal information only for as long as it is required for business purposes or by the law.

We have put in place procedures to deal with any suspected personal data breach and will notify you and any applicable regulator of a breach where we are legally required to do so.

### **How long do we keep your personal information**

Our data retention policy is dictated by applicable data protection laws and is available for inspection by submitting a written request using the contact details provided in this policy.

### **Safety on the Internet**

Please remember that whenever you voluntarily give personal information publicly online - for example on message boards, through e-mail, or in chat areas - that information can be collected and used by others. We are not responsible for any loss or damage you may suffer as a result of sharing your personal data publically.

### **Assignment**

We may change our ownership or corporate organisation or sell some of our assets. As a result, please be aware that in such event we may transfer some or all of your information to a company acquiring all or part of our assets or to another company with which we have merged. Under such circumstances we would, to the extent possible, require the acquiring party to follow the practices described in this Privacy Policy, as it may be amended from time to time. Nevertheless, we cannot promise that an acquiring company or the merged company will have the same privacy practices or treat your information the same as described in this Privacy Policy and it is your responsibility to review our Privacy Policy regularly for changes (as set out at the start of this policy).

### **What kind of information does Moose collect?**

#### **A. Information provided by Children**

Children may view most of the Website's content without registering or providing personal information. Moose may collect a Child's e-mail address under the following limited one-time use circumstances:

1. if your Child sends a request to us, we will keep their e-mail address to respond to them. We will then permanently delete their e-mail address from our system once we have responded to them;
2. if your Child enters a competition, sweepstake or contest, we will ask the Child to give us the Parent's e-mail address, too, so that we can tell the Parent that the Child has registered for the competition, sweepstake or contest. If we need more than the Child's e-mail address and first name (or screen name) to enter your Child in the competition, sweepstake or contest, we will notify you, explain what information we need and ask that the Parent provide it. For example, we will ask the Parent for his or her mailing address so that we can send, for your Child, any prizes the Child wins, or for his or her telephone number so that we can tell the Parent when the Child has won. Any information a Parent or the Child gives us in these circumstances will be deleted from our database once the competition, sweepstake or contest is concluded, or after any legally required period for keeping such information has ended; or
3. if the child signs up for our newsletter in the Mighty Kingdom Shopkins apps we collect the Parent's email address and the child's email address to notify the parent of the child's wish to participate. The Parent must actively opt-in to their child receiving the newsletter by entering the code provided in the Parent email. If the Parent fails to opt-in, the code will be regenerated on every attempt to verify the parent's email

#### **B. Information collected through the use of our Website**

Moose collects information on our Website's visitors collectively including which sections of the Website are most frequently visited, how often and for how long (collectively, "**Usage Information**"). This is done through cookies and other technologies. This data is used as aggregated, non-Personal Information. Cookies **do not** contain any Personal Information about a specific user. Moose uses Usage Information to improve and enhance our online service. You may disable cookies using your browser's preferences, but some features of the Website may not function if you do so. We do not share this information externally. For more information about our technology practices, please review our general [Privacy Policy](#)

### **How May Parents Access Children's Personal Information?**

Upon identification, a Parent may review the Personal Information we have collected about their Child, request deletion, or refuse to allow further collection or use of that information. When we delete Personal Information, it will be deleted from our active databases and permanently deleted from our systems after any legally required period for keeping such information has ended.

### **What Does Moose Do With The Information We Collect?**
